Dear Sir:

This is in further response to the March 26, 2003 Final Office Action, and to the November 10, 2003 Advisory Action, and to matters discussed during the December 3, 2003 telephonic interview among Examiner Wehbé, SPE Reynolds, and Practice Specialist Brian Stanton, all of whom are thanked for the courtesies extended during the interview, with a non-entered Amendment After Final filed September 26, 2003, and a Notice of Appeal filed September 29, 2003. It is also respectfully requested that if any issue remains as an impediment to allowance, another interview is respectfully requested, with a view towards reaching agreement on allowable subject matter, with the Examiner respectfully invited to contact the undersigned to arrange a mutually convenient time and manner for such an interview.
